Dear Dr. Johnson,

Panelist will be asked to state their name and a brief description of their experience. Please share your various roles so that candidates understand that the panelist offer a broad range of experience and expertise.

Paulie Gunderson and I will facilitate the discussion and will also have a few kick-starter questions

This is a candid, forthright experience for the candidate. Tell it like it is!

When addressing the candidates, please keep in mind that only 3 – 4 of you should respond to a question to allow for as many questions as possible. For those of you staying
