Subject: Affinity group update

Thank you again for the opportunity to facilitate an affinity group for BIPOC leaders. We had a diverse group of leaders present and a couple of folks not make it. Again, I would like to continue this work for the remainder of the year and reach out to the leaders I know to encourage them to participate.

A couple of participants requested the contact information for each other. Each person asked to share their contact information in the chat because I was unsure if you could provide me with their contact information due to confidentiality. However, if you can give me their contact information, I will put it on a spreadsheet to share with them.

I also captured some data to help me better understand their wants and needs and meeting times. They agree that they would prioritize these meetings and that whatever day and time I set will be okay with them. I will get you future days and times for the subsequent three sessions.

Please share any feedback with me if you hear of any feedback outside the group. Thanks again.

Best,
